Office of General Counsel
U.S. Department of Transportation

Dear Mr. Eisner:

RE: Eastern Daylight Saving Time for Indiana

This letter is to ask for your support in urging the Federal Department of Transportation to allow the 82 Indiana counties currently on Eastern Standard Time to move to Eastern Daylight Savings Time.

We believe this action will help improve Indiana business and allows for the full benefits of Daylight Savings Time in Indiana and respects the linkages of those communities currently on CDST and understands their efforts to stay in their current time zone.

Sincerely,

Robert S. Potts
Chairman, President and Chief Executive Officer
